

REMARKS:

In response to the Official Action of December 2, 2004, Applicant elects Species I, including claim 140, related to active analog circuit operative to interface with a modem. Therefore, the claims for examination are claims 77-140, and 148-152, which are either generic or directed to the elected species. It is requested that claims to the non-elected species be held in abeyance pending determination of allowance of generic claims. Applicant reserve the right to file one or more divisional applications to any claims drawn to non-elected species.

Upon the allowance of a generic claim, it is requested that any claims to the non-elected species which are written in dependent form or otherwise include all the limitations of an allowed generic claim be allowed.

It is requested that examination of the application proceed on the basis of the election which has been made hereinabove.

Respectfully submitted,
